HYW				
Model	Power	Optics	Color Temp.	Options
HYW	L	W D	27 30 40	D V

Application

- Architectural and landscape lighting
- Recessed wall mount
- Back Box installation
- 2 beam angles
- UL STD 1598, IP66, Wet location

84mm
(3.3")

160mm
(6.3")

Luminaire

- Aluminum structure body
- UL STD 1598, IP66, Wet location
- Anodized
- Base for feed through connection
- Recessed lens
- Powder coated body
- Aluminum construction
- Integrated power supply
- IK10

Power - Delivered lumens

- L=9W 3000K 435lm - 1 side

Color Temperature

- 27 = 2700K
- 30 = 3000K
- 40 = 4000K
- 2 Step MacAdam
- CRI: > 85

Optics

- W - Wide beam
- D - Deep beam

Constant Voltage

- 120-240V

Options

- D - DALI
- V - 0-10V

Installation housing order code

- HYW150 - 150mm (20")
